

RESEARCH ON DIGITAL ULCERS

Have you been diagnosed with Systemic Sclerosis,
Scleroderma, or CREST

AND

Currently have at least one Digital Ulcer on your hand
as a result of this condition?

If so, you may qualify to take part in a research interview asking
patients about their experiences with Digital Ulcers.

In order to be eligible you must:

- Be 18 years of age and older,
- Be able to read and speak English,
- Have been diagnosed with Systemic Sclerosis, Scleroderma or CREST, and
- Have at least one painful digital ulcer on your hand for which you visited a doctor in the past 8 weeks.

The study involves an interview lasting about 1-1.5 hours.
No treatments are given as part of this study.

Participants will receive \$75 for their part in the study.
